Subject: William hill, Morley

Morley has 2 gambling establishments already, one of which is prominent on the main street.

This again is in an area where families and children/ young people congregate and shop as it is near a supermarket, main bus stops in and out of Morley, and opposite the Town Hall entrance used daily by all groups of society.

By granting permission it would cause offence, and a threat to minority groups in Morley, as well as becoming an inviting place to go for the young people, and vulnerable groups who are finding it hard financially in todays climate. These groups will be accessing help with benefits from the one stop shop in the town hall and faced immediately with the lights, and draw for easy money from William Hills.

This area is A1 use, and should remain so!!!!

Dear Sir

I wish to oppose the application for Licence application for William Hill due to the location of the premises which may entice youths to enter premises for gambling purposes. I also believe that we have already too many betting shops and arcades in Morley which will put off genuine people who come to Morley to shop. As a Member of the Town Council for the Topcliffe Ward I believe that this may decline people from outer areas to shop in our Town and also promote the youth's to gamble on slot machines etc.

My own feelings to having such a business like William Hills on Windsor Court could be detrimental to the other shops on the present.

Yours Sincerely

Cllr. Josie Jackson
Morley Borough Independent
Topcliffe Ward

Premises: William Hill - Windsor Court, Morley
GPREM: GPREM/BET/00131/01

Councillor Varley and I wish to object to the licensing application from William Hill who have requested to have a licence for 5 Windsor Court, Morley.

A Planning application ref: 13/01038 was recently turned down for the present A1 category to be change to A2 for which was previously Clinton Cards. We understand that the application would increase the combined frontages to approximately 38.4% which should be no more that 30% for A1 uses.

Councillor Varley and I are not happy with such a visible presence of an establishment of this nature. We have school children who attend Morley Academy and pass these premises on a daily basis. Our concern also lies with the possibility of slot machines been housed on these premises which could add to the attraction for these vulnerable young people.

Our concern is also for families and elderly people who in this economic climate may be tempted to use these facilities to place bets who we know there is only one winner - which is the bookie. Money which could be better spent on providing a healthy well balanced diet.

WILLIAM HILL: WINDSOR COURT, MURRAY.

I OBJECT TO THIS BELATEDLY NOTIFIED LICENSING APPLICATION;
AS IT WILL ENCOURAGE HABITUAL GAMBLING AND REDUCE THE
ATTRACTIVENESS OF A PARADE OF SHOPS WHICH SHOULD BE KEPT
IN OVERWHELMINGLY PREDOMINANT RETAIL USE.

A PLANNING APPLICATION 13/01038 WAS RECENTLY
REFUSED FOR THIS SHOP, FORMERLY OCCUPIED BY CLETON
CARDS, THOUGH THE ADDRESS ~~WINDSOR~~ HAS BEEN QUOTED
AS 4, WINDSOR COURT.

MURRAY TOWN COUNCIL'S PLANNING REPRESENTATION IS
ATTACHED BELOW.

Cero. Tom Leadley.

14 May 2013

Dear Sir/madam

Application: GPREM/BET/00131/01 William Hill, 5 Windsor Court, Morley

I wish to object to this application. I am a local resident and live just two minutes walk from this site. I wish to object because:

1. It is unhelpful for this shop to be used for gambling purposes when hundreds of schoolchildren pass its front window on the the way to/from school. We should not encouraging gambling publicity to the young and vulnerable.
2. It is inappropriate to have a gambling establishment directly opposite the Town Hall entrance which again is frequented by people visiting for help and support - some of which will include gambling and related problems
3. It is out of character with the rest of shops in the row. These premises should be kept entirely for retail.
4. The town centre already has two prominent betting shops within a one minute walk of this location. Bookmaker establishments will be over represented and out of proportion to the total number of retail premises in teh town centre.

I wish you to note my objection and reject this application.

Yours faithfully

Andrew Dalton
local resident
