### Summary of main issues

1. This report outlines the procedures for Council appointments to outside bodies, and the Committee is requested to consider and appoint to those bodies listed at Appendix 2 to the report.

### Recommendations

2. The Area Committee is asked to confirm the nominees to work with the Outside Bodies identified at Appendix 2, or agree any changes to the schedule, having regard to the Appointments to Outside Bodies Procedure Rules, as outlined in this report and as detailed at Appendix 1.

## **1 Purpose of this report**

- 1.1 This report outlines the Area Committee's role in relation to Elected Member Appointments to Outside Bodies and asks the Committee to determine the appointments to those organisations which fall to the Committee to make an appointment to.

## **2 Background information**

- 2.1 In April 2004 Full Council agreed that in future, Elected Member appointments to Outside Bodies should be undertaken by a constituted body of Elected Members and that appointments to all outside bodies should, where appropriate, be made with due regard to proportionality within the law. Attached at Appendix 1 is the agreed Appointments to Outside Bodies Procedure Rules.
- 2.2 The Member Management Committee has responsibilities for Council appointments to Outside Bodies and for exercising decision making in the following areas:
- Considering requests from Outside Organisations seeking Elected Member representation;
  - Determining the category of appointment which will govern which Committee will make the appointments;
  - Making Elected Member appointments to Outside Bodies within the Strategic and Key Partnership category.
- 2.3 Due to the large number of organisations seeking Council representation, Council agreed that appointments within the Community and Local Engagement Category will be considered and approved by Elected Members serving on the relevant Area Committee.
- 2.4 In July 2004 the Member Management Committee met to consider allocation of appointments to each Area Committee. Attached at Appendix 2 are those that have been determined should be made by this Area Committee.

## **3 Main issues**

- 3.1 The Area Committee is requested to determine the appointments to those Outside Body appointments as detailed within Appendix 2.
- 3.2 The Area Committee must first consider whether it is appropriate for an appointment to be of a specific office holder<sup>1</sup> either by reference, if this is available, to the constitution of the outside body concerned or in the light of any other circumstances as determined by the Area Committee. Such appointments will then be offered on this basis.

---

<sup>1</sup> For example it may be considered necessary or otherwise appropriate to appoint a specific Ward Member

- 3.3 Nominations will then be sought for the remaining places, having regard to trying to secure an overall allocation of places which reflects the proportion of Members from each Political Group on the Area Committee as a whole.
- 3.4 All appointments are subject to annual change unless otherwise stated within the constitution of the external organisation, which will therefore be reflected on the table at Appendix 2. Each appointment (including in-year replacements) runs for the municipal year, ending at the next Annual Council Meeting.
- 3.5 Elected Members<sup>2</sup> will fill all available appointments but it is recognised that Political Groups may not wish to take up vacancies which are made available to them. In such circumstances, vacancies will be notified to the Area Committee and agreement sought as to whether the vacancy will be filled.
- 3.6 A vacancy occurring during the municipal year will normally be referred to the Area Committee for an appointment to be made, having regard to the principles as described above.
- 3.7 Area Committees may review the list of organisations to which they are asked to make appointments at any time and make recommendations to the Member Management Committee.

<sup>2</sup> Section 249 Local Government Act 1972 states that Aldermen and Honorary Freemen may attend and take part in civic ceremonies but do not have the right to attend Council/committee meetings or receive any allowances or payments under a Members Allowance Scheme. This establishes the principle that such persons should not to be treated as Councillors, and therefore cannot be appointed to outside bodies in place of a Councillor if the request from an organisation is for a Councillor
