

COUNCIL MEETING – 11th September 2019

NOTICE OF:	Reference No:	Date Received:	Date Forwarded:
Amendment to Item 5	A1 to Item 5	10/9/190	<u>10/9/19</u>
Adoption of the Leeds Core Strategy Selective Review			

Submitted by:	Councillor Andrew Carter
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Exec Member (Climate Change, Transport And Sustainable Development)
Relevant Director	Director of City Development

To insert the following wording as Recommendations (d) and (e) on item 5 to read as follows:

- (d) Council welcomes the emphasis the inspector has placed on housing delivery between 1/4/12 and 31/3/17 in the different HMCA's when making decisions about future housing allocations, as highlighted by paragraph 3.7.2 (c) and Main Modification 3 of her report.
- (e) Council further notes the key issues that have not been addressed in the Leeds Core Strategy Selective Review particularly around climate change and the Climate Emergency. Council commits to including measures to address the Climate Emergency in subsequent Core Strategy Reviews. This should include a strategic plan to deliver more trees in the city, a greater emphasis on how new housing developments are accessed i.e. not solely by the private car and a clear commitment to review Spatial Policy 12 of the Core Strategy relating to growth at Leeds Bradford Airport, as a matter of urgency.

To deliver this Council calls for the publication of a clear timetable to set out future reviews of the Leeds Core Strategy and to provide more detail to residents on the proposed SAP Review.
