

Appendix B - Allocation of CPADs

The Table below details wards which presently have less than 4 defibrillators on the Yorkshire Ambulance Service (YAS) database and Save a Life App as of Sept 2019. In addition to wards with the highest cardiac arrest rates vs low bystander Cardiopulmonary Resuscitation rates as well as the highest early deaths from circulatory disease.

Ward	Wards with Current Number of Public Access Defibrillators with less than 4 as of Sept 19	Number to be allocated to the ward to make up the minimum of 4 per ward	Wards with highest cardiac arrest rates vs low bystander CPR rates March 2019 and highest early deaths from circulatory disease to receive additional CPAD	Total number to be allocated to the ward
Chapel Allerton	3	1	1	2
Headingley / Hyde Park	3	1	1	2
Morley North	3	1		1
Morley South	3	1		1
Rothwell	3	1		1
Roundhay	3	1		1
Moortown	2	2		2
Kippax & Methley	2	2		2
Alwoodley	2	2		2
Ardsley & Robin Hood	2	2		2
Crossgates & Whinmoor	1	3		3
Kirkstall	1	3	1	4
Bramley & Staningley	1	3	1	4
Beeston & Holbeck	1	3	1	4
Gipton & Harehills	1	3		3
Temple Newsam	1	3		3
Armley	0	4		4
Burmantofts & Richmond Hill	0	4	1	5
Farnley & Wortley	0	4		4
Middleton Park	0	4		4
Total number to be allocated		48	6	54
