“... notes the commitment to invest £1.35m to improve facilities on the Temple Newsam estate, one of Leeds’ greatest historical assets, and believes the best way to decide what improvements should be made is to first ask local residents through a public consultation.

Council notes the consultation exercise has been extended to ensure consideration of concerns expressed by members of Temple Newsam Golf Club. Council is committed to ensuring all Leeds residents are able to access a municipal golf course and notes any decision about the future of Temple Newsam Golf Club will not be taken until the results of the consultation have been fully considered by the Executive Board.

Council notes that all Administration members of Executive Board voted to ensure the final decision in relation to the Golf Course is taken by Executive Board.

This Council calls for all views and responses from Leeds residents on the future of the facilities on the Temple Newsam estate to be given full consideration by Executive Board following the conclusion of the consultation exercise.”
