White Paper Amendment	A2 to WP3	11/7/23	11/7/23

Submitted by:	Councillor Sandy Lay
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Executive Member (Adult Social Care, Public Health and Active Lifestyles)
Relevant Director	Director of Adults and Health

Insert the words “and dental” after “mental health” but before “crisis” in the second paragraph.

The amended White Paper would then read:

“This Council wishes the NHS a happy 75th birthday and thanks the city’s NHS workers for their dedicated service to the people of Leeds.

However, Council is gravely concerned by the damage inflicted on the NHS by the Conservative Government, including longer waiting times in A&E, for GP appointments, for Specialist Clinical Care or Surgery appointments, for Ambulances response times; and the failure to address the growing Mental Health and dental crisis.

Council is resolute in its support for NHS workers in Leeds and recognises the additional pressures and strains placed on them by the Covid-19 pandemic, the Cost-of-Living Crisis, and the Conservative Government’s complete failure to resolve ongoing industrial action.

Council is equally concerned by the wider damage 13 years of Conservative Government has caused to health inequalities. Council therefore welcomes Leeds City Council’s work locally alongside Professor Sir Michael Marmot and his team at the Institute of Health Equity, on a Marmot City approach to improving the health of the poorest in Leeds the fastest.

Council believes urgent Government action is needed to ensure Leeds residents receive the first class, timely NHS care they need and deserve. Council therefore calls for the Government to take immediate steps to constructively engage with representatives of the NHS workforce to mend the Government’s relationship with NHS workers and end the industrial action. Council notes the Government’s current plan does nothing to help people currently waiting for treatment, so Council further calls on the Government to immediately increase investment in NHS staff and services to get waiting times down for people who need treatment and care now.”
