This Council welcomes the return to the Council of £17.661m of our money from WYCA's West Yorkshire + Transport Fund reserve.

Council is concerned as to how a pot of over £50m, which could have been used to underwrite ailing public transport services across the region, was left languishing in WYCA's coffers. This includes the following axed or reduced services: 7, 9/9a, 60, 60a, 508, 16, 27, the 47 and 48 services, 64, 81, X84, X85, 87, 427, 630, 966 in Leeds. This is in addition to many other services that have had their frequencies slashed, in addition to route changes meaning that journeys to school and work are no longer possible in many areas of Leeds.

This Council therefore calls upon the Chief Executive to write to the Mayor of West Yorkshire and WYCA to ask that they use the resources available to them to reinstate those vital services which were unnecessarily cut.
