

COUNCIL MEETING – 20th March 2024

NOTICE OF:	Reference No:	Date Received:	Date Forwarded:
White Paper Amendment	A1 TO WP1	19/3/24	19/3/24

Submitted by:	Councillor Conrad Hart-Brooke
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Executive Member (Sustainable Development and Infrastructure)
Relevant Director	Director of City Development

Delete paragraphs 4 & 5 and replace with:

Council commits to allocating funding from government and more of its own money in improving the conditions of roads equitably in all wards of the city. The Council will ensure work done by its own teams are done to a professional standard that will endure in a do it right first time approach. Council will also work to enhance the contractual warranties external companies give so that those enjoying multi million pound contracts don't leave roads that look acceptable on day one but quickly deteriorate, leaving the Council to fix and the tax payer paying twice.

The amended motion would then read:

This Council notes with concern that the Administration are not doing enough to address the pothole crisis we have on Leeds' roads and are showing no signs of developing a meaningful strategy for highway maintenance to address the woeful state of so many of our city's roads and pavements.

Potholes create safety hazards and misery for road users, cause damage to vehicles, and cost the Council thousands of pounds in compensation pay outs to those affected.

Recent data shows the number of potholes reported in Leeds has risen by almost 60% under the last five years of the Labour administration, with 13,722 potholes reported last year alone. There were more than 300 accidents relating to potholes in 2023, compared to an average of 190 between 2019 and 2022, and compensation paid out to those affected by potholes has also nearly doubled in recent years. Estimates suggest there is a mean average of 19.5 years backlog in highways maintenance and it would take £288 million to bring all roads up to an acceptable standard

Council commits to allocating funding from government and more of its own money in improving the conditions of roads equitably in all wards of the city. The Council will ensure work done by its own teams are done to a professional standard that will endure in a do it right first time approach. Council will also work to enhance the contractual warranties external companies give so that those enjoying multi million pound contracts don't leave roads that look acceptable on day one but quickly deteriorate, leaving the Council to fix and the tax payer paying twice.
