Submitted by:	Councillor Stewart Golton
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Executive Member (Resources)
Relevant Director	Director of Strategy and Resources

Delete paragraphs two and three.

The amended motion will then read:

Council believes that the right to strike is a fundamental British freedom and believes that the Strikes (Minimum Service Levels) Act 2023 is just the latest direct attack on this freedom.

Council further believes that the regime created by the Strikes (Minimum Service Level) Act 2023 is both unworkable and unnecessary and is an attack on the freedoms of working people in Leeds.

Council resolves to request a paper to Executive Board to consider these issues further and calls on the Government to repeal anti-trade union legislation.
