Council recognises the outstanding contribution of Rob Burrow CBE to both his rugby league career and raising awareness of Motor Neurone Disease. His courage, commitment and inspirational strength of character was recognised last year with Leeds’ highest civic honour, Freedom of the City.

Council commends the way in which Rob fought tirelessly to raise funds for the development of an MND Care Centre in Leeds and further the fight to find a cure for MND as well as the tremendous courage shown by both him and his family as they shared his personal story since his diagnosis in 2019.

Council shares with the wider Leeds community and further, the sadness at Rob’s passing and commits to working with his family and the Leeds Rhinos to ensure his life and legacy are remembered in a way that supports Rob’s ambitions.
